Sponsorship Opportunities for 2010 SE² Conference

The Wisconsin Green Building Alliance 7th Annual Sustainability and Energy Efficiency Leadership (SE²) Conference will be held on Wednesday, Sept. 22nd at Olympia Resort and Conference Center in Oconomowoc. On Tuesday, Sept. 21st a Wisconsin Beer and Cheese tasting event will kick off the conference at 5pm. Wisconsin breweries and local cheese makers will be showcasing their locally made products, while attendees will enjoy a Sneak Peak at the 2010 Trade Show. The focus for the 2010 conference will showcase successful partnerships between green builders and municipal government, educational institutions, manufacturing, industrial and service businesses in Wisconsin.

As a conference sponsor, your business will be recognized as a regional leader in the growing green building and sustainability field. The expected event attendance is 250 plus persons. All sponsorship levels will include: exhibit fee waived for one booth at the trade show, formal recognition in program, as well as a link from the conference web page to your organization's website. Please see additional details for individual levels below.
